Experience – Internships

Cincinnati Commercial Contracting, Estimating Intern, Full Time

May 2017 - August 2017

- ❖ Made between 10-20 hours of phone calls a week to collect price and scope quotes from subcontractors. Projects ranged in value from \$1-30 Million USD. Served as a point of communication between senior estimators and subcontractors. Modeled buildings in 3D for Marketing purposes. Communicated with municipal authorities to ensure compliance with zoning and building codes.

Winston Heat Treating, Sandblaster and Junior Operator, Full Time

May, 2016 - August, 2016

- ❖ Worked full time with a shift team of 7 to heat treat, sandblast, and ship NADCAP and certified orders for companies such as Lockheed, Boeing, Honda. Was promoted from Sandblaster to Junior Operator after 2 months.
- ❖ Learned to prioritize orders under severe backlog conditions and solve operations/personnel issues.

Experience – College Part Time Jobs

Bucks Tavern, Server, 30-35 hours/week

- ❖ Worked as a server, striving for customer satisfaction and strong communication.

Cincinnati Zoo and Botanical Garden, Adventure Guide, 30-35 hours/week

- ❖ Interacted with guests on a daily basis to ensure a satisfactory and fun visit to the zoo.

Tangeman University Center, Event Staff, 20-25 hours/week

- ❖ Worked closely with peers and superiors to set up events and meet customer goals.

Technical Skills

- ❖ Microsoft Office Suite, MATLAB, AutoCAD, Revit 2018

Languages

- ❖ English, Basic Mandarin, Basic French

Leadership and Activities

Fossil Free UC

- ❖ Successfully petitioned and was granted time to present solutions to oversight committee on divesting \$1 Billion UC Endowment from fossil fuels. Presentation led to a vote on whether to divest. Also met with UC Endowment CIO, Karl Scheer, on divestment solutions and potential opportunities for collaboration.

Service

- ❖ 30 Service Hours, Academic Years 2015-16, 2016-17.

UC Economics Society

- ❖ Regularly attend meetings and talks with speakers from IMF, FDIC, and various organizations.
